SAFETY

GUARD AGAINST UTILITY IMPOSTERS

Pretending to be a utility worker is a trick some criminals use to gain access to homes. All of our service personnel wear logoed clothing, drive logoed vehicles and have company-issued photo ID badges. Plus, we never collect money or credit card information from customers in the field. If you suspect an imposter is at your door, don't allow him or her in and call us to confirm it's our service person.

QUALITY

QUALITY ON TAP

We have an exceptional track record when it comes to water quality and drinking water regulatory compliance. We perform millions of tests each year for about 100 regulated contaminants. Plus, we have access to American Water's Central Laboratory – one of the most advanced water quality labs in the country. To view a copy of your community's water quality report, visit **newjerseyamwater.com**.
