TERRY SHANNON
Borough Clerk

KIMBERLY BEEBE
Tax Collector

NOTICE TO ALL RESIDENTS

The Public Works Department will no longer pick up trash in cans larger than 35 gallons. Our Ordinance indicates that "All receptacles required herein shall be supplied by the occupant or owner of the premises, subject to approval by the Borough, and placed between the curb and sidewalk, where they shall be readily accessible to the collector. The maximum permitted receptacle size shall not exceed 35 gallons and or weigh more then 40lbs. We have tried to accommodate all types of cans but several of the men picking up the trash have been injured either trying to pick up the larger cans or by reaching in and getting cut by glass or other sharp objects. Large trash cans of 64, 96, and 120 gallon cans with a bar on them are meant for automated pick-up which we do not provide.

Our employees are proud to be able to provide weekly services to all residents but we also need to keep our employees safe and healthy. The Borough would like to thank you in advance for your cooperation and understanding in this matter. Questions? Call 856-931-2529.
